Personal Compensation

\_\_\_\_\_ **Line 1: Annual Cash Salary**

This is the actual cash amount of compensation paid to the Minister annually. It does not include any reimbursement for expenses or compensation for housing. This is part of Board of Pensions total effective salary and part of the Minister's compensation package.

\_\_\_\_\_ **Line 2: Housing Allowance**

Enter here the amount paid to the Minister of Word and Sacrament to provide for housing in one of the following two ways:

a. *Personally-owned housing* – This amount shall not exceed the lesser of the actual cost to maintain a home (including mortgage payments, utilities, and furnishings and appurtenances) or the fair rental value of the home plus utilities and furnishings and appurtenances. IRS regulations should be consulted but, generally speaking, any household expense is considered furnishings and appurtenances with the exceptions of food and maid service. This is part of Board of Pensions total effective salary and part of the Minister of Word and Sacrament's compensation package.

OR

b. *Use of Manse* – The value of such housing shall be based upon the fair rental value of the manse including utilities and furnishings and appurtenances (to the extent provided for by the church). A written appraisal for determining the fair rental value should be obtained from a real estate professional at least once every five years. This is not part of Board of Pensions total effective salary but is part of the Minister of Word and Sacrament's compensation package per IRS regulations.

AND

c. When a manse is provided, a utilities and furnishings and appurtenances allowance (to the extent these are paid for by the Minister). IRS regulations should be consulted but, generally speaking, any household expense is considered furnishings and appurtenances with the exceptions of food and maid service. This is part of Board of Pensions total effective salary and part of the Minister of Word and Sacrament's compensation package.

---

**Line 3: Other**

**Line 4: Additional SECA**

Enter here any amount over 50% of Minister's SECA liability if offered. Under the terms of the Self-Employment Contributions Act (SECA), Ministers are considered self-employed for social security tax purposes (they are considered employees for income tax purposes). A Minister's SECA liability is estimated by adding lines 1 and 2 and multiplying by 15.3% (Ministers should consult their CPA or attorney for more precise calculations). Our presbytery compensation standards require that churches reimburse Minister's for the portion of their SECA tax liability that would have been paid by the employer (the church) if the Minister were a regular employee. For calculation of this amount, see the instructions for Line 7 below. Reimbursement of 50% of SECA liability is not part of Board of Pensions total effective salary. However if the church wishes to provide more than 50% of the Minister of Word and Sacrament's SECA liability, the amount over 50% is included in Board of Pensions total effective salary and is part of the Minister's compensation package.

---

**Line 5: Deferred Income**

This would include such items as the equity fund, annuities, retirement savings accounts, etc. List any such annual contributions made by the church on behalf of the Minister here. This is part of Board of Pensions total effective salary and part of the Minister's compensation package.
